Elite Hind Sale

**PURPOSE BRED STAGS WITH TROPHY/SIRE
BLOODLINES**

Online Auction via BIDr®
7pm on 27th August 2023

For further information please contact

Kelly on 0274 324215

Or

Adam Whaanga on 027 418 3438

Sale Details

This sale will be hosted by bidr® (www.bidr.co.nz) as a fully online, SEQUENTIAL auction, with the sale being opened at Lot 1 at the specified sale start time, and all bidding occurring online as the sale moves through the catalogue in sequential order.

The closing of bidding on each lot is controlled by the expiry of the countdown timer. All intending purchasers must register on bidr® in advance of the sale date, by visiting the website and using the “sign up” button, adding their contact information and nominating the agency they would like to purchase through and account held with that agency. Alternatively, purchasers can organise an agent from one of the agencies listed on bidr® to buy on their behalf during the auction.

The bidr® team is contactable on 0800 TO BIDR (0800 86 2437), or email enquiries@bidr.co.nz for assistance at any point. Alternatively, contact an area representative:

Upper North Island: Bruno Santos-027 221 8276

Lower North Island: Aimee Flynn-027 282 1710

Upper South Island: McKenzie Alfeld-027 341 8066

Lower South Island: Sam Murphy-027 243 2736

Sales Coordinator: Olivia Manley-027 348 6354

Conditions of Sale

1. The sale will be conducted by Deer Genetics NZ Ltd.
2. Each lot becomes the purchaser's property and risk at the fall of the hammer.
3. Warranties and Insurance are covered under separate headings.
4. Terms are strictly cash unless prior arrangements are made with the auctioneer/vendors. Accounts not paid within 14 days of sale shall bear interest, at current rate per annum from the date of sale.
5. The sale is conducted exclusive of GST.
6. A buyers commission of 4% is payable to non-participating companies and recognised independent agents introducing and accompanying purchasers to the sale providing prior arrangements [No later than 24hrs prior to sale] are made with Deer Genetics NZ Ltd or the Auctioneer.
7. Intending purchasers are required to register with the auctioneers prior to the commencement of the sale.
8. No animals, embryos or semen sold by Deer Genetics NZ Ltd, any subsequent progeny or germplasm, including the semen and germplasm of that progeny, may be supplied to any third party without the written permission of Deer Genetics NZ Ltd. This condition does not affect normal commercial deer farming or stud farming or their normal sales of semen or embryos as it only applies to entities with the primary function or commercial semen/germplasm activity.

In addition, any sales of any animals, embryos, germplasm or semen sold by Deer Genetics NZ, that the purchaser agrees to include the following clause as a condition of any subsequent sale of any animal, embryo, semen, germplasm or subsequent progeny or germplasm to a third party – “the purchaser acknowledges that it will not supply any animals, embryos, semen or germplasm to any commercial semen/germplasm marketing or sales entity, and will ensure that this clause is inserted as a condition of any sale of any animals, embryos, semen or germplasm.”

DNA Verification

Our whole herd is DNA tested.

TB Status

DGNZ has a clear C10 status. Last test 17/06/2023

ARCHIOS DG - 0022/20

Archios DG pictured below growing @ 2yrs in 2023. This stag has an incredible aesthetic. The picture below does not do his width and outward flowing head justice. As a 2yr old, Archios DG scored 417 with an even 21 x 21 points and a massive 28 inch span. This stag has a real dominant presence about him and when you enter a paddock, his head is the first you are drawn to first. <https://youtu.be/gLAGrkhlmE> <- Click here for 2023 video

Archios DG has exceptional length to his brows, beys and treys as you can see in this picture of him growing at 2yrs in Dec 2022.

Archios DG's dam is a proven top quality hind. She produced 1181/11 pictured above, our top priced stag in our 2014 sale.

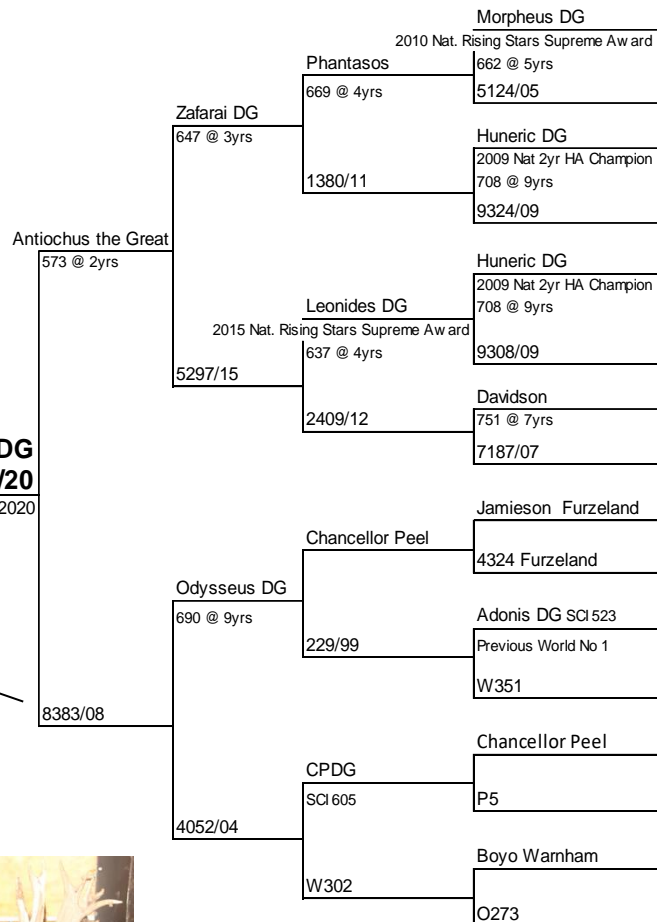

This is a picture of Archios DG shedding his velvet in the shed Feb 2023. You can see how his tips have sharpened off compared to the pictures of him growing above.

Antiochus the Great DG 573 @ 2yrs (Archios DG's Sire)

Sire References

ASMODEUS DG – 1097/21

This stag is going to be a very big boy. He is a son of Pleistarchus DG who scored 800 plus this year as a 5-year-old. Asmodeus DG is from the first crop of his sons. Asmodeus Gran Dam 5378/15 produced last year by Antiochus the Great DG Lot 1A 0102/20 in our 2023 sire stag auction.

Here are his comments from the sale catalogue "This is a bangers and mash sire stag ladies and gentlemen. A BIG all-rounder. 0102/20 is an Antiochus the Great DG over a Phantasos DG daughter. Grand dam 2409/12 produced 5020/15 lot 8 in our 2016 sale and 4063/14 lot 11 in our 2017 sale. Great grand dam 7187/07 produced 3354/13 lot 18 in our 2016 sale. 7187/07 is the bottom-line anchor for Kyamites, Antiochus The Great and Lot 5 9069/19 in last year's sale." After the sale 0102/20 scored 475 with 26 x 24 points, 24-inch span and 14-to-19-inch T1's, 2's and 3's.

TOMMY DG – 0111/20

DGNZ Comments:

<https://youtu.be/YgVncMTFsj0> <- Click here or scan QR code for 2023 video

Tommy DG is a Lot 1 stag over a Zafarai DG daughter, indicating a strong genetic background. Tommy DG also exhibited exceptional performance, scoring an impressive 512 at just 2 years old and 28 x 25 points (see pictures of him growing below). Tommy DG's grand dam, 5251/15, is the dam of 0050/20 who scored 530 at 2 years old, further highlighting the strength of this impressive genetic line.

Tommy DG growing @ 2yrs 2022

Sire References

Tommy DG in the shed @ 2yrs 2022

Tommy DG's dam 7261/17 produced 9115/19 Lot 1, a remarkable stag that we showcased in our 2022 sale.

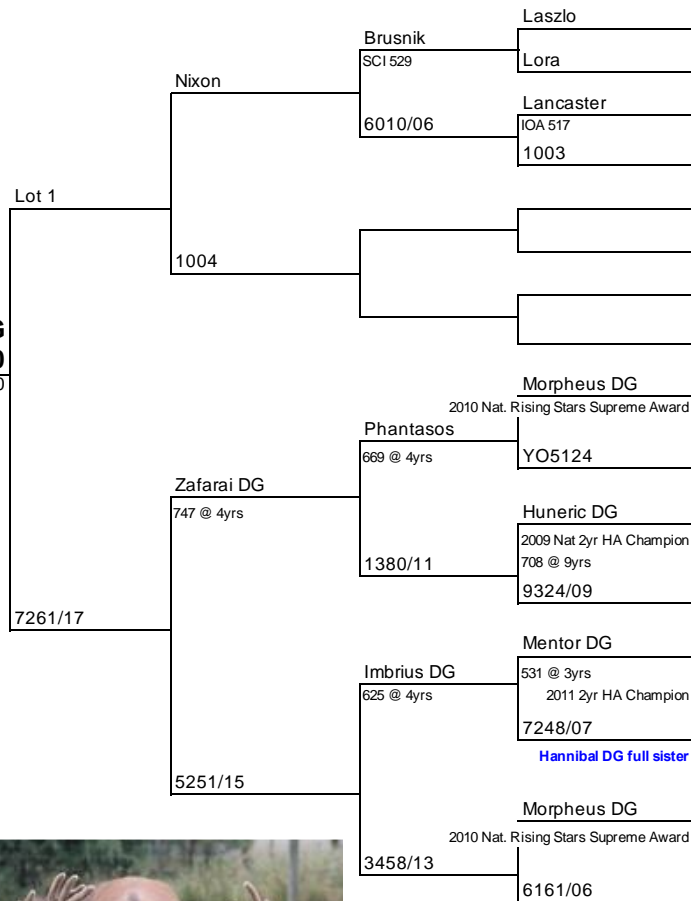

A back up shot of 9115/19 Lot 1 in our 2022 Sale

Zafarai DG is one of our most prolific sires and has demonstrated impressive performance, scoring 747 at 4 years old.

Tommy DG
0111/20
DOB 2020

ANTIOCHUS DG

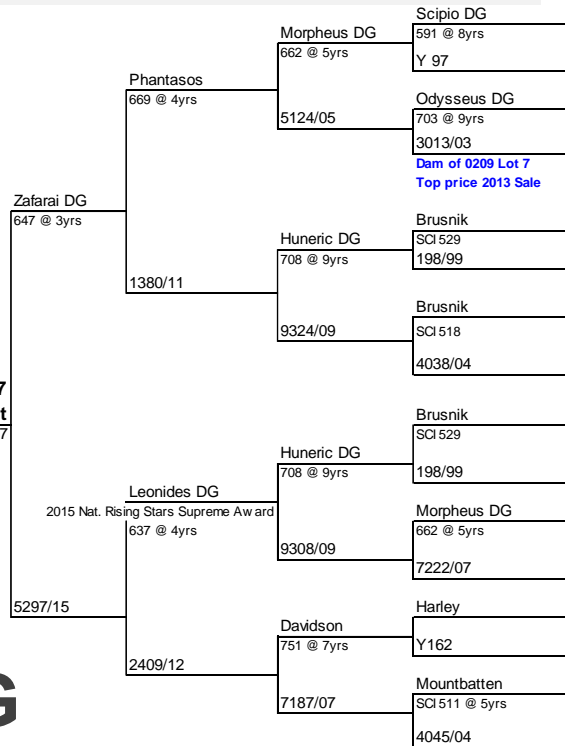

DGNZ Comments:

We call this monster "Antiochus the Great" He is a rock star. Our highest scoring two year old by a massive 94 inches! The data and measurements we have been recording tell us that 14 inch T1s at 2 years old will be 20 inch T1s by the time they are 5 years old. Don't miss your chance to get his genetics in your herd.

Antiochus DG @ 2yrs

7174/17
Antiochus the Great
DOB 2017

PLEISTARCHUS DG

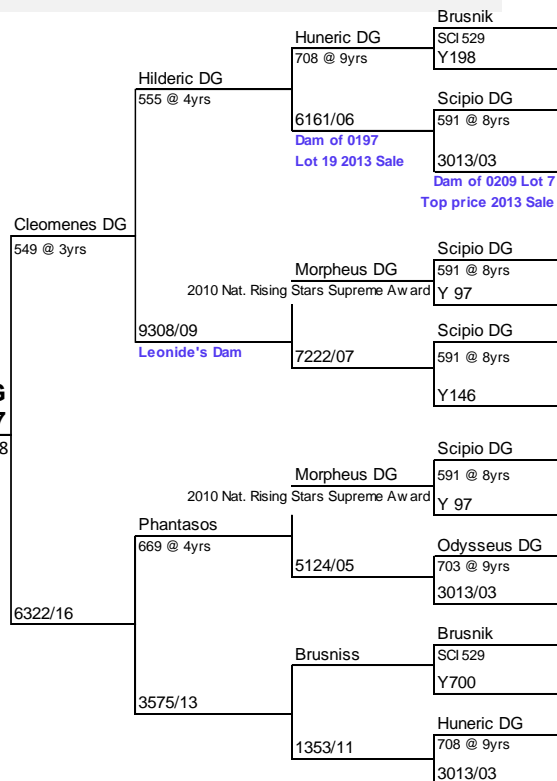

DGNZ Comments:

A Cleomenes DG son from a Phantasos DG daughter we call Pleistarchus DG 26 x 25 points & scoring 505 at 2yr.

Pleistarchus DG @ 3yrs
